

Academic Year 2023/2024

DOCTORATE	Maximum Number of Vacancies
Doctoral Program in Polymers and Composites Engineering	20
Doctoral Program in Food Science and Technology and Nutrition	20
Doctoral Program in Biomedical Engineering	30
Doctoral Program in Materials Engineering	20
Doctoral Program in Industrial and Systems Engineering	30
Doctoral Program in Mechanical Engineering	20
Doctoral Program in Textile Engineering	25
Doctoral Program in Solid Waste Management and Treatment	20
Doctoral Program in Advanced Engineering Systems for Industry	18
Doctoral Program in Information Systems and Technology	20
Doctoral Program in Direct Digital Manufacturing for Polymer and Tooling Industries	15
Doctoral Program in Telecommunications (MAP-tel)	25
Doctorate in Civil Engineering	50
Doctorate in Electronics and Computer Engineering	20
Doctorate in Chemical and Biological Engineering	20
Doctorate in Informatics	30
Doctorate in Sustainable Built Environment	20
